Thank You Cards (and more stamps)		
Adjust 'Budgeted Cost' entries as needed; if you spend extra in one area you will need to spend less in another...	TL Budget:	Subtotal:
		TL Cost:

"Please feel free to print this worksheet and use it to budget your holiday expenses. It's really the thoughtfulness and love you share during the holidays that means the most—not how well your house is decorated or how much you spend on gifts. Have a blessed

holiday!" - Michelle Jones, Founder and Publishing Editor of Living a Better Life: The Money-Saving Tips Ezine!
